UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK

SECURITIES INVESTOR PROTECTION
CORPORATION,

Plaintiff,

v.

BERNARD L. MADOFF INVESTMENT
SECURITIES, LLC,

Defendant.

Adv. Pro. No. 08-01789 (BRL)

SIPA Liquidation

(Substantively Consolidated)

In re:

BERNARD L. MADOFF,

Debtor.

**APPELLANTS' STATEMENT OF ISSUES TO BE PRESENTED ON APPEAL AND
DESIGNATION OF RECORD ON APPEAL**

**APPELLANTS' STATEMENT OF ISSUES TO BE PRESENTED ON APPEAL AND
DESIGNATION OF RECORD ON APPEAL**

Pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure, the Appellants submit their statement of issues presented and designation of record with respect to their appeal from the order of Bankruptcy Judge Honorable Burton L. Lifland Denying Non-Claimants Request to Intervene, entered in the above-captioned proceedings on January 3, 2013 (the "Order"). The Trustee has commenced adversary proceedings against Appellants, in which he asserts avoidance claims and employs a "Net Equity" claim calculation methodology to determine the amount of the avoidance claim. Appellants did not file SIPA claims in the underlying main proceeding. In the underlying proceeding, Appellants sought to be heard on the Trustee's Motion for an Order Affirming Trustee's Calculations of Net Equity and Denying Time Based Damages ("the Motion"), which seeks to reject an inflation or constant dollar adjustment to the calculation of "Net Equity" in the SIPA claim context.

Statement of Issues Presented on Appeal

1. Whether the Bankruptcy Court improperly denied Appellants' right to be heard on the Motion where the Trustee's position (not yet decided) is that the Appellants' liability in the adversary proceedings may be determined in part by the "Net Equity" claim calculation methodology approved for SIPA claims?
2. Where prior orders of the District Court in the Trustee's pending avoidance proceedings against related defendants left for Bankruptcy Court determination the issue of whether there should be a constant dollar adjustment to the Net Equity computation, did such orders confer on the Appellants a right to be heard on the Trustee Motion before the Bankruptcy Court?

3. In denying the motion to intervene, did the Bankruptcy Court exceed its authority insofar as it purported to adjudicate the rights of Appellants in the pending adversary proceedings, in contravention of Article III of the United States Constitution?

4. In denying the motion to intervene, did the Bankruptcy Court violate the Appellants' rights under the Due Process clause of the Fifth Amendment of the United States Constitution to be heard at a meaningful time on a defense material to their respective adversary proceedings?
